U. S. PREPARES TO TAKE CHARGE OF FRUIT-FLY FIGHT

California Out—Control of the Campaign to Pass from Local Board

President Giffard of the board of agriculture stated today that a meeting of the board would be held within a couple of days, when he would submit for acceptance a plan of cooperation with the federal authorities in the fruit-fly campaign.

As announced by Dr. C. L. Marlatt, first assistant chief of the bureau of entomology, Washington, published in this paper on the 2nd inst., Dr. E. A. Bach, a bureau entomologist, takes over the fruit-fly quarantine and control work, heretofore under the direction of Mr. Giffard.

"California withdraws as of September 1, but Mr. Weinland may elect to stay and work for the federal government or go back to California," said Mr. Giffard this afternoon. "He can remain if he wishes to. My own personal opinion is that it would be very desirable if he does remain, on account of the experience he has gained in handling our fruits."

"We of the local board continue our parasitic work, giving up only the matter of control. The parasitic investigations are under a separate appropriation. The rest of our appropriations will be turned over to the federal officials."

"My recommendations to the board are not yet formulated. The change means that the federal authorities take over the official control of the fruit-fly campaign, and will administer here the new quarantine law for all states and territories of the union, under the direction of Dr. Bach instead of the market division of the local bureau of immigration, labor and statistics now conducted by Mr. Starrett."

Mr. Giffard is confident that the reassurance given by Dr. Marlatt, in his published statement, will continue to be satisfactory to fruit-growers and the general public, and he has good hopes that the investigations of Dr. Bach will result in a positive removal of the quarantine implied in the departmental orders formerly made, from all products that so far have not been found infested with, or carriers of, the fruit fly.

THE EFFECTIVE LAXATIVE

Tastes Like and Is Eaten Like Candy.

In our experience in the handling of drugs and medicines, we believe we have never had experience with any Remedy that gave such great satisfaction to our customers as do Rexall Orderlies. This Remedy is not like any other laxative or cathartic. It contains all the good features of other laxatives, but none of their faults.

Our own faith in Rexall Orderlies is so strong that we offer them to you with our own positive personal guarantee, that if they do not thoroughly satisfy you, you only need tell us and we will hand back to you every penny you paid us for them. Therefore, in trying them upon our recommendation you take no risk whatever.

Rexall Orderlies taste like and are eaten like candy. They do not gripe, cause nausea, excessive looseness, or any other annoyance. They act so easily that they may be taken at any time, day or night. They are particularly good for children, aged, or delicate persons. They are put up in convenient tablets in three sizes of packages. Prices, 10c, 25c, and 50c.

Remember, Rexall Remedies can be obtained in this community only at our store—The Rexall Store, Benson, Smith & Co., Ltd., Fort and Hotel Sts., Honolulu.

The Star Spangled Banner.

S. M. DAMON DEEDS U. S. SITE FOR WELL

S. M. Damon and wife have conveyed to the United States of America a parcel of land and a right of way, for the consideration of \$1. The land is fifty feet square near the land of Cecil Brown, and the grant excepts riparian and fishing rights that may be appurtenant to the land. A right of way from the land to the Pearl Harbor drydock is granted, being a

Women

From Forty-Five to Fifty Are Much Benefited

by

Lydia E. Pinkham's Vegetable Compound.

The "change of life" is a most critical period in a woman's existence, and the anxiety felt by women as it draws near is not without reason.

When her system is in a deranged condition, she may be predisposed to apoplexy, or congestion of some organ. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

These symptoms are calls from nature for help. The nerves are crying out for assistance and the cry should be heeded in time.

Lydia E. Pinkham's Vegetable Compound is prepared to meet the needs of women's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.

Mrs. Estella Gillispie

ONE CASE OUT OF MANY TO PROVE OUR CLAIMS.

St. Anne, Ill.—"I was passing through the change of life and I was a perfect wreck from female troubles. I had a displacement and bearing down pains, weak fainting spells, dizziness, then numb and cold feelings. Sometimes my feet and limbs were swollen. I was irregular and had so much backache and headache, was nervous, irritable and was despondent. Sometimes my appetite was good but more often it was not. My kidneys troubled me at times and I could walk only a short distance."

"I saw your advertisement in a paper and took Lydia E. Pinkham's Vegetable Compound, and I was helped from the first. At the end of two months the swelling had gone down, I was relieved of pain, and could walk with ease. I continued with the medicine and now I do almost all my housework. I know your medicine has saved me from the grave and I am willing for you to publish anything I write to you, for the good of others."—Mrs. ESTELLA GILLISPIE, R.F.D. No. 4, Box 34, St. Anne, Illinois.

strip of land sufficient in width for the proper maintenance of a pipe line and also a conduit for electric wires. It is conditioned that the United States is to complete the digging of a well on the land conveyed within two years and lay a pipe line and conduit over and across the right of way granted. Should the United States fail and neglect to do so within the time mentioned, then the land conveyed shall revert to Mr. Damon.

VOLTITE

ELECTRO-PLATING POWDER

Instantaneously Depositing

Gold, Silver, Nickel or Tin on Metal Surfaces

The housekeeper, the mechanic, the hotel-keeper, the automobile owner, the golf player, the jeweler, and those who handle plated tools in their business can always keep metal articles and parts touched up and looking like new.

A 3 minute deposit of Voltite Plating will last as long as the plating deposited by the ordinary jeweler's electro-plating bath.

Demonstrations daily between the hours of 9 and 11:30 a.m.

You are invited to bring any article you desire plated or retouched to the office of
